

P.S.S. CASH

Hello,

Marlon here.

I have a NEW WAY for you to cash in as an affiliate -- whilst reaping full tilt 90% commissions on the main offer -- AND the OTO.

I'm sure you promote launches. They're great for short term cash. However, it's a constant grind to come up with bonuses, emails and the whole shebang.

Here's an easier way to get commissions sent to you completely PASSIVELY..

I imagine most of your emails have a P.S. after your name / signature.

A P.P.S. is a P.S. tacked on AFTER the first P.S. In other words, it's a second P.S.

What if you could haul in steady, consistent commissions by sending the emails you ALREADY send with no change -- other than tacking on a very simple P.S.?

Here's what I have for you:

Pure passive 90% commissions:

Step one: Add my P.S.S. to all your outgoing emails.

Step two: Do nothing

Step three: Log into Paypal and see money.

Here's the PS:

===== Copy and Paste =====

PPS: Are you struggling to get off to a fast start? Here's the only Fast Start System I recommend:
<http://getyoursales.com/xxxxxxxxxxx>

===== End Copy =====

Would that have your attention? Well, what if the commissions were 90% front end AND on OTO #1, THEN \$247 on OTO 2?

All you do is add it to every email you send out. BOOM! Done.

This is about as close to PASSIVE income as it gets.

Just pop the P.S. into your emails and forget about it. All you do is enjoy the commissions.

90% DOUBLE DIP

Here's a break down on what this offer consists of.

On this promotion, for a limited time to approved affiliates, I'm paying 90% on Fast Start System and 90% on the proven Overwhelm Cure OTO, a strong seller.

THEN I TRIPLE STACK it with a \$249 commission on my Cash Like Clockwork System OTO.

Commission One: 90% Fast Start System

Commission Two: 90% Overwhelm Cure OTO

Commission Three: \$247 on OTO 2 Cash Like Clockwork System

I've stacked it up, loaded it up, pre-tested the conversions and I'm piling on the commissions....

The sales letter is totally pimped out, the offer is stacked up, the commissions are piled high and the OTO's are spot on.

WINNING VALUE EQUATION

The Value Equation!

One of the core differentiating ideas in my Fast Start Training, is the Value Equation, which is Benefits - Costs vs. the Alternatives.

The thing is, if you have a winning Value Equation, you want to ATTRACT potential buyers looking for such a Value Equation.

If your opt-ins (subscribers or people in your database you communicate with) aren't buying, either you're attracting non-buyers or your Value Equation isn't winning them over.

I'm NOT saying it's always easy to figure out.

But at heart it IS simple. And you can use a process.

CREATE A SHEET LIKE THIS WHERE YOU LIST YOUR BENEFITS, COSTS AND THE MAIN ALTERNATIVES. THIS HELPS YOU FOCUS YOUR OFFER.

I COULD GO ON AND ON ABOUT THE ABOVE EQUATION. BUT FOR NOW, I JUST WANT YOU TO THINK WHETHER YOU ARE ATTRACTING PEOPLE

INTERESTED IN THAT EQUATION WITH YOUR FREEBIE OR NOT.

Don't get me wrong. A LOT of psychology and marketing savvy went into the creating of it.
